

## resident assistant application form 2008

If you wish to apply for the position as a Residential Assistant (RA) at Macquarie University Village in 2008, then you must complete the Resident Assistant Application Form. Selection is based upon a two step process involving consideration of information contained in application forms and attachments, and then the interview of short listed applicants. Short listing for interview is dependent upon the information in your written application. Before applying, it is important that you read the RA Selection Criteria.

RA selection is based upon the ability of applicants to satisfy the selection criteria through the information contained in the written application and during interview. Macquarie University Village reserves the right to not appoint or to appoint through invitation. If you have any queries, please contact Steve Nobbs, Village Director on 02 9812 6002 or [steve.nobbs@clv.com.au](mailto:steve.nobbs@clv.com.au).

Please note that RAs must be residents of Macquarie University Village in 2008. You need to apply separately for accommodation at Macquarie University Village – this is not an application for residential accommodation.
